

Nexa Adjustable T-Bar Clip Reference Guide

Vode supplies adjustable clips to allow for easy and consistent mounting. The clip system has multiple options to position each rail section at the desired height.

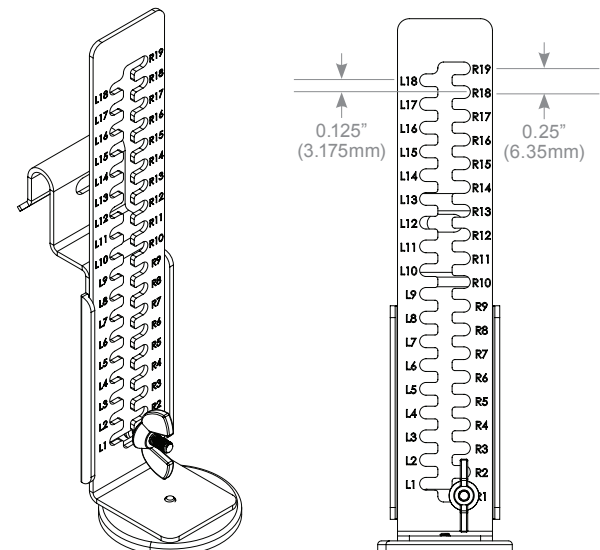

Vode Technical Support: (707) 996-9898

Small Adjustable T-Bar Clip

Flush Mount

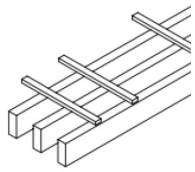

Large Adjustable T-Bar Clip

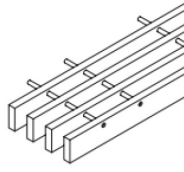

The adjustable clip system ensures that the mounting fixtures remain at consistent heights between wood slats. Use the reference chart provided on the following pages to determine the correct setting.

Flush Mount Adjustable Clip Chart for Armstrong®

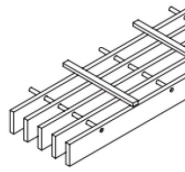

Refer to the following chart for Armstrong WoodWorks® Grille for flush mounting of Nexa. Note the settings vary depending on ceiling construction.

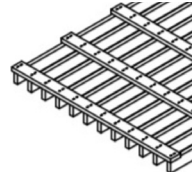

Backer

Dowel

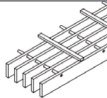

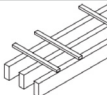

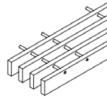

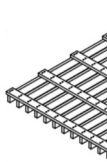

Backer and Dowel

Vertical and Horizontal Slats

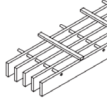

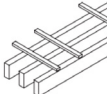

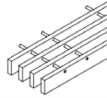

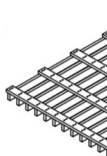

NEXA3

| Ceiling Construction | | Slat Height | Clip | Setting | Spec Code |
|--|-------------------------------|---------------------------------|-------|---------|-----------|
|  | Backer and Dowel | 3-1/4" | Large | R6 | G6A |
| | Backer and Dowel | 5-1/4" | Large | R14 | G5A |
|  | Backer Only | 1-3/8" | Small | L6 | G4A¹ |
| | Backer Only | 3-1/4" | Large | R6 | G6A |
|  | Dowel Only | 3-1/4" | Large | R4 | G6A |
| | Dowel Only | 5-1/4" | Large | R12 | G5A |
|  | Vertical and Horizontal Slats | 9/16" Tegular Vertical Slats | Small | L4 | G1A |
| | Vertical and Horizontal Slats | 15/16" Tegular Vertical Slats | Small | L4 | G2A |
| | Vertical and Horizontal Slats | 9/16" Tegular Horizontal Slats | Small | R1 | G3A¹ |
| | Vertical and Horizontal Slats | 15/16" Tegular Horizontal Slats | Small | R1 | G3A¹ |

NOTES:

- Adjustable clip not compatible with 1-3/8" dowel only ceilings.
- For 4-1/4" and 2-1/4" contact Vode for clip settings.
- For horizontal G3 ceilings Nexa will extend out 0.125".

NEXA5

| Ceiling Construction | | Slat Height | Clip | Setting | Spec Code |
